WHAT IS MAN2MAN: THE REAL DEAL

Theme: “Real Men Serve God...Boldly”

Foundational Scripture: Joshua 24:15

“And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.” King James Version (KJV)

God, the Creator of Heaven and Earth, gave man dominion authority over all the earth. Although man fell prey to the tricks of the enemy in the garden, and relinquished some of that authority, Jesus redeemed the promise and the power of that authority. Now, the challenge to each man is to make the decision to stand boldly in all that God created him to be. This is the foundational scripture of Man2Man, for he and his house to serve the Lord.

A true man of God is a powerhouse who can lead his home, his community, his church, and usher peace and joy on his household. He is a man of wisdom, knowledge, Godly understanding, prayer, authority, strength, compassion, productivity, purpose, leadership, provision, intercession, worship, bold declarations, and holiness. No man can exhibit these powerful traits without the presence of God.

When men are distracted and lacking in Godly wisdom, the glue that holds the family together is weakened, and the family foundation is shattered. Through its men’s ministry arm, Proverbial Peace Revived has created a powerful forum to help participants strengthen their relationship with Christ and position to be Godly forces in their homes, churches, workplaces, and communities. In these current times of unknowns, trials, traumas, and stress, it is for such a time as this that the King within must stand in the authority of the God who created him.

The Mission: When trials and setbacks interfere with the great plan of God on the life of anointed and appointed men of God, Man2Man: The Real Deal (M2M) can help align man with his purposed destiny. It is designed to build men who are spiritually grounded and mentally victorious, ready to take their place as High Priest in their homes and communities in accordance with Joshua 24:15. The program is dedicated to helping men understand the greatness inherent within every man to live on their terms as God ordains, and stand as example of Godly success. M2M addresses the fierce challenges that men face on a daily basis that undermines man’s ability to be victorious in today’s carnal world.

The Fellowships

M2M is a Brotherhood of supportive brothers in Christ, working to help each other grow to be the Godly leaders that God created them to be. Fellowship discussions address issues and hindrances that undermine a man's ability to walk in victory and serve the Lord as outlined in Joshua 24:14-15. Each brother is charged to hold his brothers accountable for what he says he desires and to truly embody what God mandates a man of God to represent in actions, behaviors, service, and mindsets.

There are only 2 ***Tenants of Participation*** in M2M:

- 1) ***The fellowships are a "no judgement" zone.*** Each brother is allowed to express himself without discredit and freely voice his thoughts and ideas without judgement.
- 2) ***Total confidentiality in discussions.*** The forum is designed to promote open, frank discussions to help participants position for Godly service. To that end, the expectation is that what a brother shares in M2M stays in the fellowships, unless he gives permission for someone to tell his story outside of the brotherhood.

Anyone who violates the tenants of participation will be asked to cease participation in M2M fellowships.

SUMMARIES OF M2M'S DISCUSSION MODULES

Each module encompasses several fellowship topics; and each topic may include more than one fellowship to complete dialog and exchange of ideas. Discussions are not strictly timed to any given number of fellowships. We will remain on a given topic for as long as participants need to discuss, ask questions, seek understanding, express their position, or gain more wisdom.

Look in the Mirror: Face the Ghost!

Letting go of your past, whether it's recovering from an addiction, escaping a toxic relationship, grieving a death, overcoming divorce, or letting go of your traumatic childhood, is one of the hardest things the human spirit can ever do. However, if joy, hope, and happiness is to ever be a reality in your life, letting go is mandatory. Before you can let go, you must first face the reality of what factors from your past is holding you back and keeping you down. You must prepare your mind and make a conscience decision to no longer to allow the thing of your past to influence your present, your peace, or your future. This module is focused on helping men face the issues from their past and prepare for their God-given role of leadership God's way.

The Power of the Mind

Your subconscious mind is like a huge memory bank. Its capacity is virtually unlimited. It permanently stores everything that ever happens to you. By the time you reach the age of 21, you've already permanently stored more than one hundred times the contents of the entire Encyclopedia Britannica. In order to ensure your mental thought processes are not your greatest hindrance to walking in victory and purpose, you must understand the power of your mind, conscious and subconscious; and how to harness that God given power to walk in dominion authority and God-promised destiny.

The Forgiveness Factor - Releasing Your Trash:

According to the results of the Human Development Study Group at the University of Madison in Wisconsin, true forgiveness leads to improved physical and mental health as well as better relationships. God mandates forgiveness as a prerequisite to His outpouring of blessings to lead to destiny. This module will focus on the four stages leading to positioning to forgive: self-discovery to uncover anger, preparing the mind to forgive, understanding the dynamics of forgiveness, and discovery and release. Without forgiveness, happiness, peace, and destiny cannot happen. This module helps you understand and embrace the power of the forgiveness factor.

Understand Your Judas Encounters

The name Judas will be forever associated with the one who stabbed Jesus in the back, a name never to be trusted. However, in today's society, we often fail to understand that there was no option for Jesus not to be executed because without his crucifixion, he could not rise again in three days and thus save humanity. Without a Judas, Jesus ultimate destiny on earth would not have been fulfilled. This module helps you understand the role of the Judases in your life and provides strategies to deal with them for growth and enhance emotional well-being.

Get through Your Pruning Season

In harvesting a grape vineyard, a wine master's role is to assure that every grape harvest produces the most effective and plentiful harvest possible. To make that happen, the wine master must carefully position each vine and cut that which takes away from the growth. Such is a man's preparation for destiny, purpose, and fullness of life. Happiness and success in life does not just happen - it requires a process that is sometimes painful to get through. This module provides strategic steps toward navigating difficult times of transition with wisdom and in peace. Discussions will focus on the different types of tests women generally endure, how best to cope with them successfully, and the significance they have in driving destiny.

Bridging the Gap: Understand the Mind of a Woman

Strong male – female relationships have been ordained since the creation of man. However, the differences that were meant to strengthen relationships have become the factors that separate and a source of frustration, irritation, and discontent in relationship building. This module will focus on discussions of the fundamental differences between the genders, the physical and psychological aspects of a woman's makeup that drive actions, and how to bridge the gap to reach mutual understanding. Focus will be given to understand a woman's expectations of a Godly husband and devoted father; and how God defines those roles.

Finding Balance in Work, Church and Family:

This module is a must for the man on the go who has to be all to everyone. It is intended to help attendees understand that balancing work and family in today's fast paced race is a task that can be managed. Topics include stress and time management, prioritizing an over-crowded schedule, setting limitations and boundaries on yourself and others, understanding personal need, creating a "family help network", allocating quality family time, saying "no" without guilt, and negotiating win-win results at home and at work.

Reclaim Your Godly Heritage!

We are each born to be king's kids. According to Ephesians, we are created and born for purposed destiny. Life circumstances often serve to make us forget the awesome promises we are given by a God who cannot lie. This module will focus on reclaiming the promises of God and understanding who we are in His kingdom. When we can see ourselves through the eyes of He who made us, we can't help but embrace that we are priceless creations who deserve nothing, but the best of what life has to offer. Topics include goal setting, reclaiming personal power, exercising your authentic voice, assessing your EQ (emotional quotient) for success, overcoming setbacks, and understanding who you are.

Living Your Purpose God's Way

Accepting your purpose is a daunting task. Deciding to do what you were born to do, ordained by God to do, designed to do - is an awesome responsibility that the average person seldom seeks to make a reality. This module is focused on helping position you to focus your mind, soul, and spirit on accepting and being ALL that God has for you to be. True happiness will never be your reality until you position yourself to utilize your full potential, determine in your very core that you will not accept anything less, and walk in your full dominion authority.
